WORKSHOP CALL FOR INTEREST

Muskoka Arts & Crafts invites you to consider teaching a workshop at the Chapel Gallery.

Workshops can cover a vast array of topics such as colour theory, composition and perspective, stimulating creativity, making jewellery or stained glass, painting in all mediums and styles, print making, book making, how to stretch your own canvas, framing, felting, collage and so much more.

Courses can be held during the day, evening as well as one or two day weekend workshops to one week intensives.

Classes may be designed for beginners, people with intermediate skills or those with advanced expertise. For beginner classes, it is recommended that they are interactive programs that facilitate people to get their creative fingers wet by learning how to make something. Intermediate and advance lessons may be theoretical with hands-on exercises to learn the concepts and techniques being presented.

To submit a proposal, please include the following:

WORKSHOP DESCRIPTION

- An outline of your program that describes what workshop participants will be learning and doing in your workshop.
- The skill level this workshop suitable for – beginner, intermediate or experienced.
- Workshop title.
- Dates and times for your workshop. Please include a first choice and a second choice.
- If applicable, a photograph of the artwork the participants expect to complete during the class. This will be used to help promote your workshop.
- Does the student provide any materials? If yes, please include a list of materials. If the student will be purchasing a material kit from you, please list the materials and price of the kit.
- Handouts. Are handouts available for the students? Please note, you are responsible for duplicating and providing enough handouts for your class.
- Location of the workshop – the Chapel Gallery, your studio or a specified outdoor location.
- The maximum number of participants your workshop can accommodate. Please note that for workshops held at the Chapel Gallery, the workshop room can hold up to ten students depending on the topic.

COMPENSATION

- Your hourly wage. Please note that payment to teachers is issued by cheque and may take up to two weeks after the class is finished.

INFORMATION ABOUT YOU

- Your resume including relevant work and teaching experiences and/or your biography.
- A photograph of you or a photograph of you at work as well as an image of your art. These will be used to help promote your course.

WORKSHOP CANCELLATION

Muskoka Arts & Crafts reserves the right to cancel workshops with low enrolment.
